LUXURY KITTEN CARE GUIDE

BEFORE WELCOMING YOUR KITTEN HOME

- Remove toxic plants or place out of reach.
- Avoid fertilizers/chemicals in plant soil.
- Put away small items: hair ties, thread, ribbons, beads, foil, plastic pieces.
- Thread/tinsel can be deadly and may not show on X-ray.

HOLIDAY SAFETY

- Secure Christmas tree well
- No tinsel, ribbons, metallic strands, or glass ornaments. Keep light cords covered or secured to prevent chewing.
- Vacuum real tree needles often.
- Supervise playtime around the tree.

HOME SAFETY

- Secure windows with strong screens.
- Watch front door to prevent escapes.
- Always check fridge, washer, dryer, closets before closing.

FOOD & WATER

- Dry food available 24/7.
- Filtered or bottled water only.
- Wet food: ½ can per meal; warm slightly; refrigerate leftovers.

LITTER BOX

- Place in a quiet, low-traffic spot.
- Use natural, unscented litter.
- Scoop daily; replace fully every 7-14 days.

GROOMING

- Eyes: wipe only if needed.
- Ears: clean only with vet-approved products.
- Trim nails every 1-2 weeks.

SLEEP & ROUTINE

- Kittens sleep through the night.
- No night light needed.
- Provide a soft, warm bed.

TOYS & ENRICHMENT

- Good options: soft toys, tunnels, wand toys, small balls.
- Use string/ribbon toys only with supervision.

FIRST VET VISIT

- Visit your vet within 3 days of arrival.
- Bring a fresh stool sample.
- Even with regular testing at the cattery, re-checking ensures peace of mind.
